

Builders / **Inventory Team**

Purpose

The Inventory Team are the quiet anchors of Soulshine—keeping tools, gear, and supplies flowing where they're needed, when they're needed. With care and precision, they support every department so builders can build, kitchens can cook, and decor can dazzle. From pre-festival sorting to post-festival restoration, they ensure abundance, order, and ease at every step of the journey.

Tasks & Responsibilities

- Organize and maintain inventory spaces and systems before the festival begins
- Distribute supplies to various teams during setup and the festival weekend
- Monitor inventory use and alert leads to shortages or missing items
- Collect, sort, and safely store all gear and equipment during teardown
- Assist in updating inventory records for future reference and accountability

Time Commitment

- Engage in pre-festival organization and supply prep
- Active support during the festival setup and weekend flow
- Lead or assist in post-festival teardown, sorting, and restocking
