

## Builders / 🚧 Signs Team

### ✨ Purpose

The Signs Team are the storytellers of space—designing and installing signage that guides, informs, and inspires. Their work weaves beauty with clarity, helping guests navigate the land while enhancing the visual language and vibe of the festival.

### 🔧 Tasks & Responsibilities

- Assist in designing and building directional, safety, and themed signage based on the site map
- Install signs throughout the grounds during the pre-festival setup
- Monitor and maintain signs during the event, replacing or repairing as needed
- Help with the removal, sorting, and safe storage of all signage post-festival

### 🕒 Time Commitment

- Participate in pre-festival design and production sessions
- Be on-site during Long Crew for full signage installation
- Remain available during the festival for sign upkeep
- Support post-festival takedown and organized storage
