

Grounds Keepers / **Earth Keeper Team**

Purpose

Earth Keepers help uphold the ecological integrity of the festival by maintaining cleanliness and stewarding waste systems. This team ensures that garbage, recycling, and composting efforts run smoothly, supporting a cleaner, greener festival experience.

Tasks & Responsibilities

- Assist with waste management, including garbage, recycling, and composting
- Monitor waste disposal stations and ensure they are maintained throughout the event
- Coordinate with Earth Keeper volunteers to maintain a clean festival site
- Ensure waste management processes are aligned with sustainability goals

Time Commitment

- Festival shifts: Throughout the festival duration
- Long Crew shifts: Pre-festival setup and post-festival teardown
