

## Grounds Keepers / 💧 **Water Keeper Team**

### ✨ **Purpose**

Water Keepers steward the festival's access to clean water—ensuring hydration, sanitation, and kitchen water needs are met safely and efficiently across all areas of the site.

### 🔧 **Tasks & Responsibilities**

- Monitor and manage water sources for festival attendees
- Assist in maintaining dishwashing sinks and other water-related tasks
- Work with the Water Keeper Lead on water logistics

### 🕒 **Time Commitment**

- Festival shifts: Throughout the festival duration
