

Healing & Integration / **Forest Fairies**

Purpose

The Forest Fairy Team are the healers guardians, and protect the energetic space of the Forest. They enhance the atmosphere of the event by guiding the attendees through the forest, while embodying the spirit of curiosity, peace and tranquility of the forest. This role ensures that healers' time is respected and that each healer has a break-space between each attendee in the Healing Forest experience. The Fairies lead the participants along the forest trail, maintaining the hushed, sacred ambiance, supporting a grounded and serene atmosphere.
