

Healing & Integration / 🧡 Healers

✨ Purpose

The Healer Team is dedicated to supporting the physical, emotional, and spiritual well-being of festival participants. This team provides a range of healing modalities and services, inside a 20 minute session, to assist individuals on their journey, offering a safe and nurturing space for relaxation and rejuvenation.

🔧 Tasks & Responsibilities

- Offer various healing practices such as bodywork, energy healing, and wellness support
- Provide one-on-one sessions for festival-goers who need healing or restorative services
- Create a calm and welcoming space for individuals to relax and receive healing
- Collaborate with other healers to ensure a well-rounded experience for all attendees
- Ensure a safe, respectful, and compassionate environment for everyone

🕒 Time Commitment

- Setup upon arrival - after setting up your own campsite (Friday)
- Healing FoRest Crew Meeting (Friday)
- Some pre-festival planning and coordination may be required
- Festival shifts: Throughout the festival duration
- Flexible hours depending on availability and healing modality
