

## Technical Production / **Workshop A/V**

### **Purpose**

The Workshop A/V team provides technical support for workshops, ensuring presenters have the audio-visual tools needed to communicate effectively with attendees. Their work is integral to the educational aspect of the festival, enabling seamless presentations.

### **Tasks & Responsibilities**

- Set up and operate audio-visual equipment for workshops and presentations
- Coordinate with workshop presenters to ensure technical requirements are met
- Troubleshoot any audio-visual issues during presentations
- Work closely with Video Techs and Space Keepers to ensure a smooth experience for workshop attendees

### **Time Commitment**

- Pre-festival: Setup and equipment testing
- Festival shifts: 8-hour shifts aligned with the workshop schedule
- Post-festival: Assist with teardown and equipment packing
