

Vibe / **First Aid Team**

Purpose

The First Aid Team provides medical support, injury care, and emergency response to ensure the health and well-being of all Soulshine attendees. Team members follow the protocols set by the Team Lead while also incorporating their knowledge and experience when appropriate. To be part of this team, members must have the required qualifications, direct first aid experience, and a comprehensive understanding of health and healing.

Tasks & Responsibilities

- Maintain the First Aid area during assigned shifts
- Administer first aid as required
- Monitor the site for safety concerns
- Support evacuation or emergency services if needed
- Record all incidents and complete necessary reports

Time Commitment

- Attend First Aid training or orientation pre-festival
- Work assigned festival shifts
- Be available during peak hours and for overnight coverage
- Assist with post-festival tear down of First Aid tent and equipment
