

Vibe / **Parking & Camping Team**

✨ **Purpose**

The Parking & Camping Team assists festival-goers with their arrival by managing vehicle flow, directing attendees to their campsites, and helping with camp setup and logistics. This team requires physical endurance, a willingness to troubleshoot, and a cheerful demeanor to help ease the sometimes stressful experience of arrivals and departures at a busy event. It is also important to be receptive to the Team Lead's directions, as there are safety concerns associated with managing traffic.

🔧 **Tasks & Responsibilities**

- Direct vehicles to the appropriate parking areas
- Help attendees unload/load gear
- Support traffic safety during peak arrival and departure times
- Assist with campsite layout and flow

🕒 **Time Commitment**

- Attend pre-festival orientation
- Work assigned shifts during arrival and peak times
- Assist with breakdown and site clean-up post-festival
